<sup>a)</sup> The evaluation of the strategic relevance of applications was based on the contributions of representatives of central and regional administrations.

<sup>b)</sup> Provisional value (waiting for decisions on appeals).

<sup>c)</sup> External experts are experts that are not necessarily members of the evaluation panels - external to the panels. They are invited to participate in the evaluation of applications - in an individual, restricted and remote base - usually through the preparation of a report on an application or on a very limited number of applications. In this particular case, the number relates to external experts representing central and regional administrations.
